Word of Life † June 5th

"The Catholic Church has a long history of service to those who are most vulnerable and remains the largest private provider of social services in the United States. Through the sacrificial efforts of faithful Catholics, the Church serves millions through diocesan ministries and agencies, Catholic hospitals and healthcare systems, immigration clinics, shelters, and Catholic schools and parishes. From religious communities to pregnancy care centers, from refugee resettlement services to foster care and adoption agencies, and from maternity homes to parish-based ministries, the Church consistently bears witness in word and deed to the beauty and dignity of every human life—including both mother and child."

WEEKLY REFLECTION

The Coming of the Holy Spirit

Pentecost Sunday

And suddenly there came from the sky a noise like a strong driving wind, and it filled the entire house in which they were. Then there appeared to them tongues as of fire, which parted and came to rest on each one of them. And they were all filled with the Holy Spirit and began to speak in different tongues, as the Spirit enabled them to proclaim. [Acts 2:2-4](#)

Do you think there was really a “noise like a strong driving wind” at this first outpouring of the Holy Spirit? And do you think there really were “tongues as of fire” that came and rested on everyone? Well, there most likely was! Why else would have it been recorded that way in the Scriptures?

These physical manifestations of the coming of the Holy Spirit were made present for numerous reasons. One reason was so that these first recipients of the full outpouring of the Holy Spirit would have concretely understood that something amazing was happening. By seeing and hearing these physical manifestations of the Holy Spirit they were more properly disposed to understand that God was doing something awesome. And then, upon seeing and hearing these manifestations, they were touched by the Holy Spirit, consumed, filled and set on fire. They suddenly discovered within themselves the promise Jesus made and they finally began to understand. Pentecost changed their lives!

We most likely have not seen and heard these physical manifestations of the outpouring of the Holy Spirit, but we should rely upon the witness of those in the Scriptures to allow ourselves to arrive at a deep and transforming faith that the Holy Spirit is real and wants to enter our lives in the same way. God wants to set our hearts on fire with His love, strength and grace so as to effectively live lives that effect change in the world. Pentecost is not only about us becoming holy, it's also about us being given all we need to go forth and bring the holiness of God to all those we encounter. Pentecost enables us to be powerful instruments of the transforming grace of God. And there is no doubt that the world around us needs this grace.

As we celebrate Pentecost it would be helpful to ponder the primary effects of the Holy Spirit in a prayerful way. Below are the Seven Gifts of the Holy Spirit. These Gifts are the primary effects of Pentecost for each and every one of us. Use them as an examination of your life

and let God show you where you need to grow more deeply in the strength of the Holy Spirit.

Lord, send forth Your Spirit in my life and set me on fire with the Gifts of Your Spirit. Holy Spirit, I invite You to take possession of my soul. Come Holy Spirit, come and transform my life. Holy Spirit, I trust in You.
